

Green Learning Station...where sustainability takes root

A Program of the Civic Garden Center of Greater Cincinnati

Field Trip Application

School: _____ Grade/Course: _____

Contact Person: _____ Position: _____

Address _____ City: _____ State: _____ Zip: _____ County: _____

Phone Number _____ Fax: _____ Email _____

Total number of students _____ Maximum trip size is 40, how many trips will you need? _____

Does your group have any special needs that should be addressed?

Are you interested in applying for free or reduced bus transportation to the Green Learning Station? _____

Field trips last 3 hours (does not include a lunch break, which can be incorporated). Trips can be scheduled Mon, Tue or Wed from late August through early November and late-March through June. Please consult your school calendar and give several possible dates or date ranges for trips.

1. _____ Other dates: _____
2. _____
3. _____

Timing of field trips is flexible based on school schedules.

- What are the hours of your normal school day? _____
- Will you want students to eat lunch on site? _____ What is their normal lunch time? _____
- What would be the best 3 hour time period (3.5 if lunch on site) for your students to be at the Green Learning Station (please take into account transportation time)? _____

If you are interested in collaborating with the Green Learning Station on an intersession, please list the dates of your school's intersession and potential themes of focus: _____

What "green" features or programs, if any, does your school campus already have? _____

When planning for your field trip to the Green Learning Station, please keep in mind that you will need to line up four adults (including yourself) who are willing to be active participants in the day.
